## CHURCH & CHRISTIAN BACKGROUND

Will was raised in a Christian family and involved in church from a young age. At the age of 8, he accepted Christ and was baptized. Since that day he has sought to grow in his knowledge and understanding of Christ and has sought to be a faithful disciple wherever the Lord has led his ministry. Since 2002, he and his wife, Laura, have served in multiple churches and locations throughout the world as a minister and as missionaries. Their current assignment is serving with the International Mission Board as team leaders in Southern Europe.

These past 8 years have been a joy to see the Lord at work among Muslim refugees, Orthodox Christians, and Atheistic Europeans. Their team's desire has been to raise up disciples that make disciples, and plant churches that plant churches. Will and Laura are excited to return to their hometown and home church to bring the knowledge gained from these experiences to help Living Hope do the same thing here in Bowling Green, Warren County, and beyond.

**The church family will vote to affirm Will on Sunday, January 24.**
