PASSION

My passion is to share the hope of Christ through the caring work of the Church (John 13:34-35), by bearing others' burdens (Gal. 6:2), providing for those in need (Phil. 2:4), and encouraging the saints to walk in step with the Holy Spirit (Gal. 5:25; 1 Thess. 5:11). I am passionate about building relationships and impacting the community with the Gospel of Jesus. My ministry is people, meeting them where they are to present them with the love of Christ and the life-changing truths of Scripture.

Covenant members will vote to affirm beginning Sunday, June 26.
