- D.M.D., School of Dentistry, University of Louisville, 1985

CHURCH & CHRISTIAN BACKGROUND

From cradle roll to high school graduation, Mike was active in church at Leitchfield First Baptist. He came to saving faith when he was 8 years old.

As an adult, he was ordained as a deacon in 1986 at West Broadway Baptist Church in Louisville. He was active in choir and served on and later chaired the personnel committee.

Mike moved the family to Bowling Green and became Living Hope members in 1994. His areas of service here include 2 years in the children's ministry, 24 years as choir and vocal team member, trustee committee, 12 years on the elder board, small groups and ABF, mission team member (South Africa, Honduras, and Jamaica), and Hope House board (representing Living Hope).

Mike worked as a dentist for 34 years before his retirement in 2019. Currently, he remains active by serving the community on two medical organization boards, serving his family by playing with grandchildren, enjoys hobbies and multiple studies, and serving as needed in the Chapel.

The church family will vote to affirm Mike on Sunday, September 25.
