EDUCATION

- Graduate of Warren East High School
- B.S., Elementary Education, Western Kentucky University, 2001
- M.A., Instructional Leadership, Western Kentucky University, 2008

CHURCH & CHRISTIAN BACKGROUND

Robbie started attending church regularly in 1990. He came to saving faith at the age of 13 and followed up with baptism at Richardsville Baptist Church. He met his wife, Kim, at Richardsville Baptist in 1994. In 2000, they began attending Hillvue Heights Church and remained there until 2011. They began serving at Church on Main in 2011. It was a church plant partnership between Hillvue Heights and First Baptist Church of Bowling Green.

In 2019, their family joined Redeemer. It was a great community for our children to get connected. Shortly after joining Redeemer, our son, Evan, came to faith. Not long after, Payton accepted Christ, as well. They are blessed to do life with the body of believers at Redeemer. Robbie and Evan help with the media team at Redeemer, while Kim and Payton help with the nursery. They have hosted and/or led Connect groups, and they cherish their time in the mens and womens groups.

Robbie is in his 23rd year with Warren County Public Schools. He focuses on school and district improvement as a data analyst. He taught many years at Bristow Elementary and served in the technology department. He also enjoys mowing a few lawns and hobby farming.

The church family will vote to affirm on Sunday, September 24.
