## **CHURCH & CHRISTIAN BACKGROUND**

Eric grew up in Bowling Green from the age of 5. He was raised in a home with a Christian mother who shared Christ with him. Later, God placed a young lady in his life during high school who shared Christ with him and encouraged him to read the Bible. Eric came to saving faith when he was 19. God later blessed him through his marriage to the same young lady (Angela) who had led him to Christ.

The Lord continued to bless Eric by placing other godly men and women in his life. He was an active member of Trinity Free Will Baptist Church, Mill Creek Baptist Church, and later joined Living Hope in 1997. While members at Living Hope, Eric and Angela have been active in several connect groups and served in the children's ministry (4<sup>th</sup> and 5<sup>th</sup> grade). Eric has also served on a mission's team in Jamaica and served as a deacon for three, three-year terms. He is currently active in a mens D-group and another men's Bible study group.

Eric currently works for Med Center Health as the Vice President for Rural Hospitals. He is an active member on several boards for local and state organizations. He enjoys spending time with his family, especially his grandchildren who are 6, 4, & 2 years old.
