

Weekly Online Prayer Focus

December 11-16, 2023

Monthly Memorization

December: *Walk in wisdom toward outsiders, making the best use of the time. Let your speech always be gracious, seasoned with salt, so that you may know how you ought to answer each person. Colossians 4:5-6*

DAILY AWAKENING PRAYER:

Pray that God's kingdom would come in power to our homes, our neighbors, and every generation so that many will come to know Christ and do His will.

Your kingdom come. — Matt. 6:10

MONDAY: Global Impact: The Corder Family

They are considering moving to Belgium, but they are not sure as of yet. Pray the Lord provides clarity.

- Pray for their family. They'll be traveling next week to Belgium and then to Republic of Georgia. They'll be in Belgium on a vision trip seeking God's will for their possible move there in January. They'll then travel to Georgia to meet with and encourage their Iranian church for a week.
- Pray that God would clearly reveal His plan for their next place of service, possibly Belgium at this point.

TUESDAY: Pregnancy Center and Counseling Center

Today, we pray for those who support The Pregnancy Center and The Biblical Counseling Center. Help them to understand that you, Lord, are an everlasting God and the Creator of the ends of the earth. Help them not to grow tired or weary in their well doing. Impress upon their hearts the value of their gifts and the lives that are being changed as a result of their generosity. **Isaiah 40:28**

Main Thrust: God's Design is harmony in holiness. By living for Jesus, marriages, families, and work environments can become hopeful and helpful communities.

- Challenge people to live in their roles in life to the praise and honor of Christ Jesus, the Lord.
- Encourage people to get a vision for the blessed relationships and communities that Christians can uniquely create.
- Teach people how to live out their individual, unique roles in such a way that Christ is honored.
- Help people live with Christ as Lord over every aspect of their lives, relationships, and communities.
