

Weekly Online Prayer Focus

December 21-27

Monthly Memorization

And we have seen and testify that the Father has sent his Son to be the Savior of the world. 1 John 4:14

DAILY AWAKENING PRAYER:

Pray that our city and nation would be turned upside down and changed through the preaching of the biblical gospel.

They dragged Jason and some of the brothers before the city authorities, shouting, "These men who have turned the world upside down have come here also." — Acts 17:6

MONDAY: National Digital Disciple Making and College Ministries

National Disciple Making, The Brooks Family

- Pray, ultimately, that our hearts would be prepared to celebrate the baby King Jesus. Advent season has been special for us this year, so we are anticipating celebrating Jesus' birth with hope, peace, joy, and love.
- Our family is getting over the flu, that turned into bronchitis for Wes and Leah. Please pray for healing and health through the holidays.
- We are traveling to visit Leah's family in Utah for Christmas. It's Ezra's first time visiting! Pray for much-needed quality family time. Pray that we would surrender our ministry work and trust God with the details during this Sabbath-like time.

Here is this week's **praise** from our **Brooks Family**

- Praise for a small digital evangelism/discipleship conference that Wes volunteered with on the worship team. They saw three people give their lives to Christ during the final night of worship!
- From that conference, we gained 10 pilot partners who have been testing out Venture and giving us wonderful feedback. They are lined up to help share Venture with their communities in the next week. Please pray with us that 10 new or renewing believers from each pilot would try out Venture and experience God in the process!

National College Ministry, The Day Family

- Pray for this slower season with most students home for break. Pray that we'd be able to rest well and be able to spend quality time with the Lord.
- Pray for our students who don't come from believing families to stay grounded in their faith and find community.
- Pray for the 20 students who trusted Christ this past semester to continue growing.
- Pray for our Winter Conference coming up Dec 28-Jan 1. There's already 1,500+ students registered. Pray that students would get a good vision for how God wants to use them.
- Pray for us as we begin planning the two 6-week trips happening to the Middle East this summer. We really need one more female staff to lead. Pray that one will come.

TUESDAY: Pregnancy Center and Counseling Center

Thank you, God, for the indescribable gift of Jesus Christ our Savior. We pray that you help all those who come to The Centers for Hope to understand who You are and why You came. We pray that they will give their hearts and lives to you. **2 Corinthians 9:15**
