Title: Those Who Make Us Uncomfortable | Text: Luke 16:19-31

Main Thrust: A person's response to God in this life determines their eternal destiny, and the consequences after death are fixed and irreversible. This is a sobering truth that must be shared with all people—including those who may make us uncomfortable, whether they are the down and out or the up and out.

- **Challenge people** to see life through an eternal lens.
- **Encourage people** to see all people, the down and out and the up and out, as broken by sin and in need of eternal salvation.
- **Teach people** how to engage the down and out and the up and out with the Gospel in the church and as the church in the world.
- **Help people** believe in the truth and power of the Gospel to save.

Next Week's Text: Matthew 13:44-46
