

## **Weekly Prayer Focus: September 28-October 4, 2026**

**Weekly Awakening Prayer:** Pray that God would provide opportunities for the Gospel to penetrate unreached people groups and also Gospel aware, but disinterested people in our city. At the same time, pray also for us, that God may open to us a door for the word, to declare the mystery of Christ. — Col. 4:3

**Monthly Memory Verse:** We look not to the things that are seen but to the things that are unseen. For the things that are seen are transient, but the things that are unseen are eternal. 2 Corinthians 4:18

### **Monday – Pray for our Global and Local Mission Partners**

Pray for the Phillips Family. We believe prayer has great power and importance in the work being done in and through our sent ones. Pray faithfully this week, never ceasing in remembrance of Christ's love for every tribe, tongue, and nation.

Please pray for a group of men traveling from 25 different villages to attend the 3rd course in the Hausa Bible Institute. These men are being trained in how to start and strengthen healthy churches. Pray for their time of learning and fellowship as many of them are in difficult areas due to terrorism.

Please pray for Moses as he travels to one of the most difficult regions of Niger to conduct a training for Christians who have fled their villages due to terrorism and are living as displaced peoples in this hub village. Pray for their safety and for the time to encourage them in the midst of much suffering.

Please continue to pray that Niger would once again grant visas to American citizens.

Sermon Title: Redeeming Creation Order

Text: Genesis 1:27
