Saturday – Pray for Sunday's sermon and those preaching
Series: The Heart of Living Hope Urges
Sermon Title: An Eternal Mindset
Text: Mark 13:32-36
Main Thrust: Jesus is coming! Rather than worrying about when He will return, God's people must remain spiritually vigilant and do the work He has given us, living each day in anticipation of His return.
· **Challenge** people to believe that Jesus is coming again and to live in a way that demonstrates that belief in word, thought, and deed.
Encourage people to remain spiritually awake and attentive to God, trusting His promised plan even when we do not know when it will be fulfilled.
Teach people how Jesus, in His incarnation, willingly accepted the limitations of a human body and lived in submission to the Father's will and purpose, including His not knowing the day or hour of His return.
· **Help** people understand the danger of spiritual apathy and the importance of remaining alert, faithful, and ready for Jesus' return.

Pray for clear communication and wisdom in business meetings on the third Monday of the month.
